The 2003 legislative session authorized the Agri-Services Division of the Oklahoma Department of Corrections to make our products available for sale as a benefit to state, county and city government employees, public school staff at all levels of education and retirees of all the aforementioned.

Most products are sold in boxes weighing approximately 10 pounds with smaller packages inside except for the beef patties and sausage patties, which are packaged in boxes weighing approximately 13 pounds, in bulk and separated with wax paper for easy removal. The beef snack sticks are packaged in 3.5 ounce packages and sold individually. The hickory smoked ribs are sold by the slab and each slab is vacuum packed in a bag.
